If you want your PC to be on Rat Net (for non Sabbat) or Creep net (for Sabbat), please also have the ST staff verify your PC's topside affiliation.

Double O & Perfect Infiltrator PCs: Please send a private email & cc your ST staff and alert us to your PCs special circumstances before you join any IC list. Perfect Infiltrator's must already be registered as R&U and have prior Coordinator approval.

Please note that non-technophile PCs are not able to read archives or access the group for Schrecknet. This is because ICly, Schrecknet is NOT a standard google group and only verified technophiles can access Schrecknet archives. This requires a test from their peers (to be run IC) as well as requirements listed in the packet. Please read the Schrecknet packet for further details.

Please speak with your CM or HST to acquire packets as needed.

Private messages sent only to the Nos Coord email, or to an individual subcoord, may be missed and will delay entry onto the list(s).
