Closing: 13-Dec-2021 12:00AM EST

I, Danielle Frink, as Head Coordinator, on behalf of the Finance and Web Coordinators and the Executive Team, propose that the yearly maximum for maintenance of our server be increased from \$2000 to \$2500 for 2021. Due to price increases, and unforeseen website maintenance, we will have to pay out more than \$2000 this year.

This proposal requires a second to go to vote.
